Department of Health & Human Services  
OFFICE OF THE DIRECTOR

Dear Mr. 

I am writing for two reasons. First, I thank you and your staff for providing data for our December 2005 Medicaid enrollment update report that Eileen Ellis and David Rousseau prepare for *The Kaiser Commission on Medicaid and the Uninsured*. The final June 2005 report will soon be available at: [www.kff.org](http://www.kff.org) and national summary data is attached for December 2005.

Second, we are now preparing our next report, which will focus on trends in Medicaid enrollment through June 2006 in all 50 states and the District of Columbia. For that report, we are now asking that you send us a copy of your report, such as the report that you normally use for administrative purposes, that shows Medicaid enrollment by eligibility category for the month of June 2006.

As we look at trends, this report will focus on enrollment counts for:

- Families, children, and pregnant women
- Aged and disabled
- "Childless adults" (for those states with 1115 or HIFA waivers)
- Poverty-related (SOBRA) enrollment within the "Families, children and pregnant women" group
- Family Planning and Pharmacy Plus Waivers.

December 15 is our collection deadline for these data. Many states now provide the information electronically. If you are able to do so, please e-mail your response to Dennis Roberts at: [droboterts@healthmanagement.com](mailto:droboterts@healthmanagement.com). Otherwise, please fax the report to Dennis at: 517-482-0920, or mail to his attention at:

Health Management Associates  
120 N. Washington Square, Suite 705  
Lansing, MI 48933

You will note we are sending a copy of this letter to Kevin Rogers who assisted us as we gathered data for the last report. I hope this will facilitate our request because of the short timeframes we are working under for this report.

I thank you very much for your help on this very important project. If you have any questions, please feel free to call Eileen Ellis, Dennis Roberts, or me at 517-482-9236.

Sincerely,

  
Vernon K. Smith, Ph.D.  
Principal

Kevin,

We are again collecting data for our semi-annual Medicaid enrollment report that we write for the Kaiser Commission. Attached are a copy of the Medicaid data request and a copy of what you provided last time. We are collecting enrollment data for June 2006. We hope to collect data from all 50 states and the District of Columbia by December 15th. Your help with this very important project is greatly appreciated. A copy of the summary report for December 2005 is also attached for your information.
