South Carolina State Parks

at 16:00:02 on 7/09/2015 UTC ·

Going to a state park? Pack a little extra. Our 47 state parks are partnering with food banks across the state to collect canned goods and nonperishable, essential items for donation. Collection boxes can be found at all of our state parks. Click here for more info: <http://bit.ly/1ejVebZ>

The poster features a brown background with a pattern of light-colored, concentric circles. At the top, there is a brown silhouette of a fedora hat. Below the hat, the text "HUNGER TAKES NO VACATION" is written in a bold, sans-serif font. Underneath that, "FOOD DRIVE" is written in a smaller, bold, sans-serif font. At the bottom, the dates "JULY 1 - NOVEMBER 30, 2015" are listed. Below the dates, there is a green section with white text that reads: "This year, while you're packing for vacation, pack a little extra to help those in need. From July 1 - November 30, 2015, all 47 South Carolina state parks are partnering with food banks across the state to collect canned goods and nonperishable, essential items for donation. Just look for the collection boxes at each state park, and drop your donations there. We'll take care of the rest!" Below this, there is a white section with black text that reads: "The most requested nonperishable items include: Canned vegetables | Canned meats | Dry goods | Peanut butter | Beans | Toiletries | Diapers | Detergent | Plastic and paper bags". At the bottom, there is a green section with white text that reads: "Note: We cannot accept products that are canned or jarred at home, cans without labels, opened products or glass containers. All donations must be in their original packaging with labels. For more information on how to donate, visit SouthCarolinaParks.com to contact the park office or ranger station of the park(s) you're planning to visit." On the left side of the bottom green section, there is a small logo that says "COME OUT & PLAY" and a circular logo with a tree and the text "SOUTH CAROLINA STATE PARKS".
