Senator Bryant,

It is clear after listening to you on the floor for the past two days and after our meeting yesterday, Wednesday at 1:15 in your office with Dr. Erica Von Nessen your questions have not been answered. Both Dr. Von Nessen and I tried to answer your questions and concerns

Please email me all of your questions regarding the following:

- Overpayments – rankings, reporting
- Agency Salaries
- SC Work Centers – UI services / restructuring
-

We will have all information you requested about the two conferences by the end of the day.
