Subject: Fwd: Freedom of information act / Chamber of the Year ??

Read this blog post from the "ACCE "American Chamber of commerce executives President Mick Fleming the organization that awarded the Hhi bluffton Chamber the Chamber of the year award and when finished reading perhaps you will wonder how this could be possible if violations are present ? Note approx 1500 chambers in the USA and only 300 are members of Acce .Interesting he is blogging the entire Usa on my threats and tax violation discoveries . Seems I have scared many on IRS tax violations for not only HHI but many city CVBs / chambers in the USA .

The IRS and its Whistle blower agents are CCed . Also SC Dept of Revenue chief legal council . Our local Chamber will have to be transparent to all of us soon . If and when IRS audits the hhi bluffton chamber and violations discovered taxes will be owed and the Hhi Bluffton chamber non profit tax status could be revoked . Foia will reveal other violations and abuse we have identified from this hhi Bluffton chamber .

The big question remains will Drew Laughlin our current mayor and running for reelection force Tom Upshaw and David tigges to be fully transparent before handing over anymore of our tax dollars ,to fully understand all the workings and dealings of this Chamber including all possible violations ?? Who could be held liable from all this after being forewarned on this Chamber . Why is the entire Chamber board allowing this Chamber to refuse transparency ? I was told the lawyers for the chamber instructed all of them to say nothing and remain silent ? Thx

Mr. Hoagland,

After review, your application was declined for several reasons and your dues payment refunded. As I noted during the call I placed to you on the number you left on my voicemail, the issue of business type and eligibility for a specific membership category is not the only

concern regarding your application. If you wish to reapply in any category, I will put your application before the Board of Directors to allow them to decide whether the organization will be admitted to the membership.

Mr Fleming as you said you turned down my membership in the American Chamber of Commerce after I was accepted for not being a non profit we will revisit this with you later once we receive our non profit status with the IRS . I take this is all that is required ? We will be a fully operating CVB and Chamber.

I would like to request under the FOIA your annual salary as well as all bonuses total pay package and request you send this to my lawyer directly or from your legal council to mine. If you do not intend to share this as you told me on the phone please have your lawyer contact my lawyer to discuss this. Further you stated your board would turn any membership I applied for because of my attacks on Chambers . Can you expand on this for us . Look forward to hearing from You or contact for your legal council. Thanks
