Here's a great shot of the Middle Saluda River at Jones Gap State Park taken by park visitor Tonya Squires on Saturday. If you read her caption, sounds like they had a great experience at the park. For more info on Jones Gap, click here: <http://southcarolinaparks.com/jonesgap>

**Tonya**

Had the most amazing day at Jones Gap State Park today. Ranger who met us at the gate to tell us they were at capacity and we would have to wait a bit, was terrific. Gave us great advice on the trails and was just super nice to us and the golden retriever who was dying to get out of the car. This is one of the most beautiful parks I have seen in SC and I can not wait to go again.

**Lara Morris** I was there on Saturday as well. :) What a perfect weekend to go. We got to camp there, which I think this time of year is the best time to go....well anytime is. We've camped there 7 times in a matter of a couple of years. It's our favourite place to camp. I'll have to post some pictures soon.
