The Police & Sheriffs Press, Inc. (PASP ID) provides secure Hologram® credentials for over 5,000 Government Agencies worldwide. Our patented Hologram® card is one of the most secure ID card platforms in the world today. It has numerous overt and covert embedded security features. Embedded holograms, demetalized imaging, nano text, black light core stock, and other security features make our card highly resistant to counterfeiting.

If you are ready to upgrade your department credentials now, click this [link to complete the authorization form](#), and send it back to me.

**If you would rather print your ID cards in house, we have a great selection of HID FARGO card printers. Please call us for best pricing.**
