

Dear Ms. Haley,

Your acceptance of your assigned parrot role for the out of touch Republican establishment was obvious in your post State of the Union chastisement of Americans who are indeed ANGRY that the Republican leadership is so inept and corrupt.

I do not need a lecture from Mitch McConnell *via your mouth* about how I should sit down and shut up. That piece of chinless dog poop is the one who needs to sit down and shut up because conservatives are going to win this primary with one of our candidates and then we are going to make sure we have a true conservative beat McConnell in the next Republican Senate primary in Kentucky. You might want to let him know he will soon be out of office. The dotty old fool thinks he is invincible, he is NOT. Two words for his delusional self: "JOHN BOEHNER". Just saying.

I have a question for you I have been wanting to ask for awhile....how many Confederate flags have EVER killed a person of color?????? I keep looking for the stats on that aberration but to date, I have not found any. Perhaps you can enlighten my *feeble plebeian* mind????

You have sold out. The voters have no doubt where and to whom your loyalty lies. Your words and your pious self righteous delivery were both shameful and disgusting. I, along with South Carolinians who want better from those elected to SERVE US, are committed to work tirelessly to defeat "your sold out self" in any future political arena in which you enter.

Sincerely,

A handwritten signature in cursive script that reads "Shirley Stowe". The signature is written in dark ink and is positioned below the "Sincerely," text.
