Diane Devine Huotari I miss the upstate so pretty except for the red clay on shoes, clothes, cars, pet's.

Janine Kaiser Jill Lownes can't wait going there soon! This is inside the state park, correct?

at 13:20:26 on 12/08/2020 UTC

Jill Lownes Janine Kaiser kind of but no. This park is unique. It's spread out amongst the entire island. But it's not the part where the lighthouse/ beach access is. It's on the other side of the road in the bay side.

at 13:21:47 on 12/08/2020 UTC

Janine Kaiser Jill Lownes ok thanks. we will be exploring the whole area.

at 13:38:24 on 12/08/2020 UTC

Jill Lownes The portion where the admission gate is has the beach day use area, a gift shop, light house and a visitor center. Of those, all are by the ocean except the visitor center is more by the admission gate.

Then at the end of the island on the main road, without going through the admission gate is the nature center and Pier. In between the admission gate area and the nature center are a couple trails/ observation areas in the right/ west side of the road

at 17:55:11 on 12/16/2020 UTC

Diane Devine Huotari Jo Moreno at least you didn't have a client get bit by a sand shark in the low country! Would love to be back on a lake! But it is what it is, I don't get in this water!

at 0:57:23 on 12/17/2020 UTC

Diane Devine Huotari Janine Kaiser try the sands in Port Royal, convenient no charge to get in the same water.

Bobcat Smith 'If you're a young African-American, an immigrant, you can go anywhere in this state. You just need to be conservative, not liberal,' said South Carolina Sen. Lindsey Graham.

So, no, I'd never visit a racist state like South Carolina.

Linda Dara Our South Carolina State parks are such gems! I've enjoyed exploring the Upstate parks and hoping to get to some of the coastal and midlands parks.

Harold N. Hawley Bobcat Smith So you'd rob yourself of the beauty of an entire state and it's wonderful people because of the ignorant remarks of one person? Do you apply these same rules to other places?

at 4:50:41 on 1/25/2021 UTC

James McComb Bobcat Smith don't judge South Carolinians based on what Lindsey Graham says. We're a beautiful state with beautiful people.
