### **South Carolina Gov. Haley says 'not interested' in being vice president**

WASHINGTON, May 4 (Reuters) - South Carolina Governor Nikki Haley, a Republican who has been mentioned as a possible vice presidential pick, said on Wednesday she is not interested in the post but will support the party's eventual nominee.

"While I am flattered to be mentioned and proud of what that says about the great things going on in South Carolina, my plate is full and I am not interested in serving as vice president," Haley, a popular Indian-American governor, said in a statement.
