I have changed the mapping of functional area E040_6A77 from what was originally requested by the agency to now be mapped to state funded program 0504.100000.000, instead of 0500.200100.000.

Let me know if you have any problems.
Thanks,

Sherry Ervin

You will need to move budget it is with a FMBB process. Or do you need to change payment information?

Diagnosis

The annual budget is exceeded by 68.35 USD (FM PB Availability Control) for the document item 00002. Budget control on outgoing amounts (**ceiling type** *Expenditures*) raised this message for the following combination of availability control ledger, fiscal year (and if applicable, **year of cash effectivity**) and control object:

9H/2015/NOT RELEVANT/10010000/E040A00010/512001/E040_6A77/0500.200100.000

Budget is set under funded program 0504.100000.000

How do I change it?
