Dear ToNew York,

On Tuesday, December 2, during the biggest shopping frenzy of the year, we're celebrating the kick-off of a season of giving as we join more than 10,000 organizations in 46 countries for #GivingTuesday.

You've attended our webinars, downloaded our reports, and attended our trainings. Now I am now asking you to further your partnership by supporting NSCLC this #GivingTuesday season. Our goal is to raise \$10,000 and bring in 100 new donors between now and #GivingTuesday.

WE WANT YOU TO BE ONE OF A HUNDRED.

[Click here](#) to make a gift of \$15 - \$35 - \$50. If we succeed in reaching our goal of 100 new donors, that's one new donor for every 63,000 senior citizens living in poverty today-- people like the women pictured above who struggle daily to access healthcare, maintain safe and affordable housing, and put food on their tables.

To help us reach our \$10,000 goal, the entire NSCLC staff has come together to give \$5000 to match your gifts dollar for dollar until we reach our goal. That means your early

gift will be doubled! [Click here to make a gift.](#)

The women above told their stories [in this video](#) so they could make a difference for others. [Watch the video now](#), share it with your network, and donate to NSCLC now or on #GivingTuesday and you will make a difference.

I'm honored to work with you to advance justice in aging for all seniors.
