Subject: We made a difference

Friend,

When we came to you four years ago we asked you to take a chance on us based on our word, and have been forever grateful that you did. This year we are asking you to vote not based on what we say, but based on what we've accomplished over the last four years. **The one question you need to answer is "Did we make a difference?"**

You asked for more openness and transparency in government. We signed legislation requiring legislators to vote on the record. Did we make a difference?

You asked for us to bring more jobs to South Carolina. We've announced over 57,000 jobs in 45 out of 46 counties, and moved more than 25,000 people from welfare to work. Did we make a difference?

You asked us to focus on education. We passed the biggest education reform bill in 20 years, increasing funding for rural districts, putting more technology in the classroom, and placing a reading coach in every school. Did we make a difference?

We've accomplished a lot in the last four years, but we're just getting started. **Please remember to get out and vote today for another four years of Team Haley.**

Thank you,

Nikki
