Autumn is on the horizon! Just a reminder that the Caesars Head overlook is a great place to view the fall foliage -- AND migrating hawks! The first of two Hawk Watch programs will take place at the park Sat, Sept. 15 at 10am. For more info, and to reserve your spot, call the park at 864-836-6115. <http://www.southcarolinaparks.com/caesarshead/storiesFeatures.aspx?id=32>
