Hi Nicole: Thank you so much for your assistance!

Here is a breakdown on the subject matters for my meeting with Governor Haley.

I represent Erin Merryn - Founder of Erin's Law. www.erinslaw.org

Erin was a victim of rape/incest at the very young ages of 7 and 13. She is a three time author and most recognized for her interviews with Oprah, Katie Couric and her law - Erin's Law - having passed in over 10 states with an additional 15 states pending - including South Carolina. Attached is Erin's Law outreach to the states thus far.

In addition to my meeting with the Governor I also represent a contestant from the Miss USA pageant whose platform focuses on rape/domestic abuse and the millennial generation. This contestant was born out of rape and has created a platform to engage women across America on domestic abuse prevention.

I look forward to hearing from you and thanks!

Hi Eden,

Just following up here. Can you provide me with the new topic you would like to discuss so I can run it by the COS? I need to confirm the Governor's schedule for April 9th, so it would be best if you could get back to me by close of business on Tuesday, April 1.

Thanks,
Nicole

Hi Eden,

I just heard your voicemail. I am sorry I missed your call. All of the Governor's scheduling request have to be submitted in a written form. If you could just let me know the new topic you would like to discuss on April 9, 2014 I will run it by the COS Ted Pitts.

Thanks,
Nicole
