Hello Mrs Haley

My Name is Edwin Bagwell ... I live in Simpsonville SC

I took my CWP class on February 16 of this year, I received a notification from Sled that says I have a breach of trust (\$500 restitution made) arrest from 1987, and if I would get a pardon and send a copy to them they would issue.

The problem is that I'm on disability and don't have the \$100 for the normal process, I'm also a veteran is there a wavier for a veteran.

I have been a good boy since that mistake, I would really like to have my CWP, I'm a Vietnam Vet, and I'm 63 years young.

Thanks in advance for your help.

Keep up the good work as our Governor.
