Hey, I just realized I never got a minute to ask how to handle this, please advise. I responded but tried to leave it a little open ended.

I should have time, but I need to check with Danny. I will let you know whether Debbie will be coming.

Hi!

I know things are chaotic right now, but I hope you're getting settled in over at the State House. Kate Hruby will be starting as the Director of Research for the General Committee on Thursday. Would you have any time tomorrow after 2:00 to meet with her and give her the rundown on the Committee? I know she would really appreciate it. If you think Debbie should be there too, please let me know and I will shoot her an email.

Thank you!
Sara
