**Laurie Cabaniss Lewis** Are you making that baby sleep outside, Franki?

at 3:43:29 on 11/23/2018 UTC

**Franki Stevens** Laurie Cabaniss Lewis making him? I won't let him!! 😊 He'd be thrilled to sleep outside. I hope you had a great Thanksgiving

at 3:45:19 on 11/23/2018 UTC

**Laurie Cabaniss Lewis** It was lovely! My tires weren't delivered yesterday so my husband refused to let me drive to the mountains. I stayed home and did NOTHING. I'll regret that tomorrow probably, but for today it's been nice. 😊

at 3:47:33 on 11/23/2018 UTC

**Franki Stevens** Laurie Cabaniss Lewis you should just drive down here tomorrow and make up for it! I think we are planning on crabbing tomorrow 🦀

at 4:29:34 on 11/23/2018 UTC

**Laurie Cabaniss Lewis** Franki, we even own our own baskets for crabbing! I'm thinking of taking a day trip to Charleston next week, but crabbing does sound tempting.
