WELCOME TO SMART CITIES NOW

Updates on smart city progress around the globe

NEWS & TRENDS

What smart city leaders should not do: A new report provides an interesting twist on smart city success stories. It examines what holds smart cities back. Learn about the four project pitfalls you must avoid if you want your smart cities initiatives to succeed. [MORE >>](#)

Roadmap to smarter, safer firefighting: In 2013, U.S. firefighters responded to 480,000 structure fires alone. It's a surprising number, but even more surprising is how frequently they don't have essential information – even a floor plan – to help them decide the best and safest way to respond. A new roadmap aims to change that; click to the site for a copy. [MORE >>](#)

5 cities, 5 smart ideas: Oakland opens up its social media archives... Sao Paulo app encourages citizens to suggest legislation... Chicago re-times stoplights in a bike-friendly pilot... Dubai embraces technology to promote happiness... Albuquerque targets skills (not diplomas) to fill demand for tech workers. Click for details – and to tell us about your city's smart idea.
