Subject: Dems' Worst Nightmare?

---

Dear Conservative,

You don't know me, but ... I'm a conservative, I'm a woman, and I am Harry Reid and Barack Obama's worst nightmare.

Why is that? Because I'm a proud conservative woman who is on the verge of winning a United States Senate Seat that Democrats have held for a very long time. My name is Terri Lynn Land and when I get to DC, I will not back down to liberal men who try to tell me what women care about and what they stand for.

**That's why they are trying to destroy me. Harry Reid and the Left are spending \$1.7 million dollars in vicious attack ads against me—and that's just this week. On top of that, President Obama is coming to Michigan to campaign against me.**

**I need you to help me combat this.** Because with just 32 days left, I am locked in a battle that will determine who controls the United States Senate.

Let me tell you about my opponent for a second. He's an ultra-liberal Congressman named Gary Peters. In the Congress, Peters did whatever Nancy Pelosi told him to. He loves to carry on about a supposed "Republican War on Women", but here's the best part—he pays the women in his office who work for him just 67 cents on the dollar! He's not just a liberal; he's a complete hypocrite who will say anything to get elected.

**I'm sorry, but I'm not going to be lectured about what matters to women by a guy who pays the women in his office 67 cents on the dollar. Not happening.**

The people of Michigan are figuring out the truth about Peters right now—that's why this race is dead even.

Rasmussen Polls this week rated our race a tossup. So did Real Clear Politics. They know we can win this race. I served Michigan as Secretary of State for two terms—and both times, I won big victories.

I'm a woman, I'm a conservative, and I am ready to take on Harry Reid and Barack Obama when I get to Washington.

That's why Obama and Harry Reid are coming after me with everything they've got. They are spending 1.7 million dollars running attack ads against me *this week*. They have reserved another **15 million dollars** in our race between now and Election Day.

I need conservatives like you to help me push back against this. Not next week, or next month—right now.

Will you help me?

You need to understand—this isn't just a Senate race. **When you give to our campaign, you're not just giving to one race, you are giving to the race that will determine control of the Senate for the next two years.**

Every hour and dollar dropped into this race doesn't just win us this seat, it helps us fire Harry Reid as Majority Leader.

There are so many important races in 2014 but we can't forget this one—we are so close to taking back the Senate. We are just five seats away from Harry Reid being a minority leader.

I believe we are definitely going to take back seats in South Dakota, West Virginia, Montana and Arkansas—but that still leaves us one short. This race could be the difference between winning and losing for conservatives nationally.

We have never had a better opportunity than the one that we have right now. Liberals are not fired up about voting without Barack Obama on the ballot. And we're going to win the Governor's race here in Michigan. This is a golden opportunity for us to take a Senate seat in a "Blue State" and the Democrats know it.

That's why the Democrats are throwing so much money at me. Here's a stat for you: *There has been more money spent in Michigan so far than any state other than North Carolina—and that's a more expensive state!*

So here is where we stand: If a liberal Congressman in a supposedly "Blue State" like Michigan, with the whole Left working to support him, is locked in a dead heat race with me with less than 40 days to go, then that means we are on the verge of a big win, and retaking the Senate!

But I need you to help me and jump in this fight.

We are so close to victory, now I need you to help us close the deal. If we do that, we will win this race, fire Harry Reid, and give him the retirement party as Majority Leader that he so richly deserves.

I'm all in. Are you? **Please, help us today.**

For America,

Terri Lynn Land Republican Nominee, US Senate, Michigan

PS: I am a conservative woman locked in a dead heat in a Senate race that could determine control of the U.S. Senate. [Please, help me today, and we'll win this race, and fire Harry Reid!](#)
