Valerie,

We look forward to your joining us this summer in Governor Haley's office. I know you and Christian are talking in a few minutes, so I wanted to go ahead and send you the paperwork I need completed prior to your arrival. Please mail or scan them to me at your convenience. I will be in touch closer to time about a few other details. Also, will you need a parking space?

Thanks again, and let me know if you have any questions.
