I think this should be thought out further and discussed with the people! You are sounding too much like politicians and follow the crowd with political correctness. There is too much destruction going on now with regarding to this country's history.

I 100% AGREE!!! LEAVE OUR FLAG ALONE!!!! It was NOT about slavery ...It was about the North taxing the South unfairly!!! Never had a thing to do with slavery...give me a break. Read your OLD history books ...Do some research!!
