Hi Chaney,

Here is my crew info:

Reporter: Brendan Clark ([bclark@wcbd.com](mailto:bclark@wcbd.com), 843-412-5869)

Photographer: Robert O'Brien ([robrien@wcbd.com](mailto:robrien@wcbd.com), 843-480-2941)

Also, would the Governor's Office have any photos from that day to share with us? I know in some cases, such as 9/11, the White House has released photos of the President as he heard the news and dealt with the aftermath. I was curious if there was anything similar at the SC Statehouse.

Thanks,  
Bryan

Bryan,

Could you please send me the name and contact information for the reporter you all will be sending to interview the governor? I would like to touch base with them today.

Thanks,

Chaney
