Subject: Veteran's Day Program at Gilbert High School

Good morning!

Please let Lieutenant Governor Bryant know we are very honored that he is willing to come speak to our students here at Gilbert High School as we celebrate and honor Veteran's on November 10, 2017. Our program will begin about 8:30 AM so if he could plan to arrive about 8:00 AM I will have students to greet him and escort him to the gymnasium. We will have musical selection and readings as well as his talk. Let him know he is free to speak as long as he likes:) If you could send me a bio to include in the program that would be great!

Gilbert High School is located at 840 Main Street in Gilbert, SC. If you enter the "main" driveway beside the school sign, which is on Main Street, you will find visitor's parking near the main entrance. As you enter the building the Main Office is on the left where you will sign in, etc. Please make sure everyone has their driver's licenses as they will have to be scanned into the system as a visitor.

Again, thank you both so much for giving your time to help our students understand more about our country and honor our Veteran's. We are thrilled Mr. Bryant will be able to join us!

Thanks again,

Erica
