Sen. Davis, Thurmond, Can you all please check with the gov office in regards to my mother in law, Lila n. Meeks resume and letter for a seat on the commision of higher ed? To my knowledge no one has even acknowledged to her either by phone,mail, email that they received her information. We have no issue if she is passed over for the seat but certainly believe she deserves the respect to at least be told they received her information. Sincerely

Sen. Davis, I hope you had a great summer and your family is well. I wanted to send you my mother in law Lila Meeks resume in hopes of obtaining your consideration and help in a possible appointment by the Gov administration to an open seat on the Commission on Higher Education. I believe she would be a valuable asset to your community and to the overall commission. I cannot think of anyone who would be more qualified for this position and have the time, energy, intelligence and passion to give the position 110%. She has mailed her resume and letter of interest to Ted Pitts. We would appreciate anything you could do to help her get consideration or at least an interview. She is a republican voter and has supported the Gov. I appreciate your service to our state & your ideology. Please confirm receipt of this email.

Sincerely,
