Dear Mr. Pelissier and Ms. Carter:

As a follow up to our conference call earlier today, attached is the excel spreadsheet for all services entered into AIM by Senior Solutions from July 1 through today. No services have been entered for October yet.

The second sheet contains the pivot table filtered to just show the home delivered meals and group dining.

The third sheet are just those who received 95 meals or more from July through September, in a printable format and include the average meals served per month.

Thank you for your assistance with this matter and for your continued partnership in our mission to enhance the lives of seniors and adults with disabilities in South Carolina.
