Yes he emailed me and said they'd be happy to accommodate. I will get on that. I emailed Lee county's person and called them this morning and haven't heard back. I asked for an address when we first spoke and she said that she just knew it was in the old bank building but would find the address and let me know so I am still waiting on that. I'll try the number I have for her again later if need be.

Sherri Zedd (Beaufort) also emailed me last night asking how many people would be with us including the security detail and if our detail would need access to the facility before tomorrow.

Will do. Cole Lawrimore didn't answer and his mail box is full but I just sent an email over to him. I will call again throughout the day.
