Subject: interview bid - Gov Haley

Attachments: interview bid GOVERNOR HALEY.pdf

Dear Ms. Adams,

Thanks for your time just now.

I am writing from Germany's international broadcaster Deutsche Welle and wish to submit an interview bid for Ms. Haley to appear on our flagship politics show Conflict Zone between 14 and 16 November.

Conflict Zone is the premier interview programme on DW's English-language news channel, which has 30 million regular viewers worldwide, and will be visiting the United States around the time of the election results.

As I mentioned, we are keen to record two shows while in the United States and have already secured an interview with a Democratic cabinet member. The perspective of a senior Republican interviewee would therefore be most welcome.

I have attached the bid letter which contains all of the necessary details. If you wish to discuss these before responding in writing, please don't hesitate to contact me on 011 49 30 4646 5777.

You can also find out more about Conflict Zone and see some of our recent shows here - www.dw.com/conflictzone.

Thanks again and I look forward to hearing from you.

Best wishes,

Alan
