Danny, below was forwarded by the Lieutenant Governor. I'm not clear on if this is two different emails or one. Also there is no contact information. Did he want follow up of just to let us know about the emails? Thank you.

fyi below
Kevin,

I know you have a full plate and it is running over, but I must vent somewhere, because I can do absolute nothing to set people straight. What is tearing me apart is what happened a few days ago at Landrum High School. There was a car crash that killed a Landrum High School student. Shortly after the fatal crash another student commented that GOD IS ALWAYS IN CONTROL and was promptly EXPELLED from school! This infuriates me and I think you and the Governor should call the school and set that faculty straight and force them to apologize publicly to her and reinstate her back in school! This is disgusting!!!

Kevin, you said if I ever needed anything to ask you. Well here goes, I have tried to win the SCDNR lottery for many years and have never been invited to hunt at the Webb Plantation. Honestly, I think it is rigged and only a privileged few and well connected hunters are ever chosen to hunt there. I am 76 years old and I would like to get to deer hunt there at least once before I'm raptured away. Can you get me an invitation before it's too late for me?

Thank you for all you do for me and for the beloved Palmetto State.

A big and great congratulation for the second place with the voters for the Governor's job.

Awaiting the rapture,

Bill and Barbara
