Mr. Soura -

Perry Simpson briefed you a couple of weeks ago on the LAC audit of DHHS's Medicaid managed care. We wanted to let you know that we plan to release the report tomorrow, Tuesday, July 31. Someone will bring a copy of the report by the Governor's Office later this afternoon directed to your attention. The report will still be confidential until we post it on the LAC website tomorrow. Thank you for your interest in our work.
