Subject: Legislative Meetings next week

Please see the meetings below for next week. I've highlighted some key meetings.

It is interesting that the Senate is holding a finance subcommittee on property tax on Tuesday at 2:00 with a full finance committee meeting at 3:00. There are no agendas posted for either. I imagine there will be movement with the Transportation bill being in interrupted debate.

The refugee bills will be in subcommittee on Tuesday and there will be a full General Committee meeting on Wednesday where Bright will give a report on the bills and Congressman Mulvaney is scheduled to speak. The superintendent of education bill (S.1017) will have a subcommittee on Wednesday. Hembree's Atlantic Beach bill is getting a subcommittee on Thursday. The State House Committee is meeting on Thursday.

I hope everyone has a great weekend!

Thank you,
Haley
