---

Good morning.

My name is Dave Jordan and I am a reporter with WSPA-TV in Spartanburg/Greenville. I'm working on a story about gas prices and possible gouging in the wake of the spill in Alabama.

Georgia Governor Nathan Deal signed this measure today. <http://politics.blog.ajc.com/2016/09/19/nathan-deal-signs-order-banning-gas-price-gouging-after-pipeline-spill/>

Is Governor Haley going to do anything similar? Please let me know. I can be reached at (864) 844-1243 or you can respond to this email. I am on deadline and my story will air this evening.

Thanks.

## Georgia gas shortage: Gov. Deal signs order freezing fuel prices | Political Insider blog

[politics.blog.ajc.com](http://politics.blog.ajc.com)

Gov. Nathan Deal signed an executive order Monday preventing gas stations from significantly hiking fuel prices after a pipeline spill in Alabama led to long lines and dry pumps across north Georgia. Deal's order prohibits price gouging at Georgia gas stations, citing news reports of
