Friend,

We need **YOU**.

Less than a week from today you head back to the polls to vote. You have an important decision to make and I hope you make the right one.

David Bennett is running on his "vision" for Hilton Head Island, but we all know it's just a plan to raise taxes for his special interest projects.

Part of Bennett's vision includes dictating how private property owners develop their own property.

You deserve to make your own decisions and big government isn't the answer.

I'm asking for your vote on Tuesday so we can continue to work on revitalizing our community, keep a balanced budget, and preserve what makes Hilton Head a great place to live and visit.

Make the right choice: vote for a proven conservative with real a plan for our future on Tuesday.

Thank you,
Drew Laughlin
