Subject: Re: CMA Board Meeting - September 11, 2015

Dear CMA Board:

I do appreciate receiving a copy of the proposed agenda for today's meeting.

I am interested in knowing why there is NO mention, on this agenda, of an *African American Advisory Committee Report* or *Hispanic Advisory Committee Report* and ONLY a mention of a "Native American Committee Report?"

Also I am interested in knowing why there is no "public comment" component for the citizens of South Carolina to make comments to the Board. This has always been helpful and a part of this meeting and was a significant and important aspect for the Board to hear from the citizens of SC.

Dr. Will Moreau Goins
