Hello and, welcome to the ONE SC Flood Fund Grants Committee!

I am grateful that you have accepted Governor Haley's invitation to serve on the committee. Your knowledge of our state, business acumen and common sense will help the committee make wise decisions.

As we are awaiting confirmation of a number of additional committee members, I am not including detailed information about the grant process today. I am however, including two links. The first provides an overview of the fund, <https://www.yourfoundation.org/sites/default/files/userfiles/Grants/SC%20Flood%20Fund%20RFP.pdf>, the second provides a link to the application <https://yourfoundation.wufoo.com/forms/south-carolina-flood-relief-fund-application/>.

Once the committee members have been confirmed, we will schedule a brief 30 minute conference call to discuss our objectives and the grant process (we will use a doodle poll to determine the time). I will also send you a few documents that will clarify the process.

If you have any questions or would like to discuss the fund before our call, please call me.

Thank you for your service!

Regards,

JoAnn Turnquist
