Sent to 27 Republican Governors

Dear Governor:

!!!States Have The Power To Alter or Abolish Present Destructive Government!!!

Our Constitution gives the people the power to either Alter or Abolish destructive present Government. Following excerpts are just a few that are listed.

Declaration of Impendence Quotes:

That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness.

Record shows present government is!

The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.

Numerous Presidents have governed like KingGeorge!

He has made Judges dependent on his Will alone, for the tenure of their offices, and the amount and payment of their salaries.

Numerous Supreme Court justices have violated the Constitution!

He has erected a multitude of New Offices, and sent hither swarms of Officers to harass our people, and eat out their substance.

Numerous elected Officers have done so!

For imposing Taxes on us without our Consent.

FDR first President to put largest taxes on people "Social Security", and others!

That these United Colonies are, and of Right ought to be Free and Independent States.

Present destructive has taken away manny of States freedom!

Establish Commerce, and to do all other Acts and Things which Independent States may of right do. And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.

Record shows many other Rights have been taken away!

Examples of some of these Rights:

Department T OF Education - is to gather information from Staes on how they run their schools. Cost of a group of members only)

Department of Energy - those Staes that benefit from these projects will own the power plants, and amintain them, and their electric rates will be lower.

Department of Transportation - private sector will operate and maintain their operating cost for all transportation

Use Taxes - maintaintenace and construction cost will be included in fuel rates, and used for no other reason.

Health and Human Services - will be the responsibility of each State.

Retiremen - Medical - Disability - Unemployment benefits - will be responsible by each State.

Military Installations world wide - will be decided by the people. Presidents only power is at declare war if our Country is attacked.

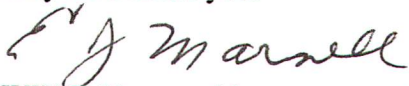

Elected Officials - any politician that remains in office after violating the Constitution, shall be removed. If impeachment hearings are not fore coming, the people will have an election to vote said person out.

All of the above taken from the Constitution! People, throw off the cloak of despair, you have the power to agin have,

!!!Life, Liberty, and the Pursuit of Happiness!!!

!!!Constitution gives the people these Rights!!!

May God Bless you.
