Katherine,

Have her application and all needed to process for Audiologist seat on the board. As it requires Senate confirmation, we'll have to wait until January to make the appointment. Let me know if you'd like for me to reach out the Grant or anyone else on this.

Thanks,  
Kate

Thanks all!

Kelly Long told me that she has recently resubmitted her application to Madison to be considered for the Speech Language Pathology and Audiology Board as part of LLR. Please let me know if Mrs. Long should submit her information to either of you, as well.

Many thanks for your help with this.

Madison is actually not with the Governor's Office in a full time capacity any more. Moved on to law school. But I do know that are in the process of filling that spot.

I have copied Katherine Veldran on this and I'm sure she will put it in the right hands during the meantime. I will make sure to follow up with them to make sure it is on their radar as well.

Also let me know when Kelly Long sends in the application if she hasn't already done so.

Thanks.

Hey Grant!

I wanted you to know that because the Senate Med Affairs did not consider many Gov nominations

b/c of the addition of the 7th Congressional District, including that for the Speech Audiology Board, I recommended to Kelly Long that she resubmit her application to the Governor for her consideration to serve on the Board (the Gov approved Kelly's nomination to serve on this board last year). Other than contacting Madison at the Gov's Office, what more can I do to help move this nomination forward?

Thanks Grant.
