MISS HAILEY,,i have been an advocate of you since you ran for office and over the years I have loved what you have done for residents of this great state(THAT FIRED tHE FIRST SHOTS OF THE CIVIL WAR. you have not agreed wit the government since be elected to office....THAT I8S WHAT OUR FLAG MEANT TO US..your mother and father were from india .I didn't mind it at all until I realized you have no clue as to what that flag represents to us it has nothing to do with race it has to do with government."(even though) blacks fill our prisons and drain our welfare kill whites and only complain about BLACK ON BLACK CRIMES they were free long before my family came to this country and we all have more then 85% of what they have because they blame men that no one alive have ever dealt with.blacks offend me every day on the news because instead of trying to actually make BLaCK LIVES MATTER they would rather be criminals and then complain when justice has been served.white and black lives matter when the try to contribute to society instead of being bastard an educated THUGS.when men rob and sell drugs their lives DO NOT matter WHITE OR BLACK.
