## **Movie Screening: Glen Cambell - I'll Be Me**

Join us for the [National Home and Community Based Services \(HCBS\) Conference](#) held in Washington, DC, August 31-September 3. This year we will be hosting a movie screening of the Glen Campbell documentary: **I'll Be Me**, which follow's Glen Campbell's final tour and his public goodbye after his diagnosis of Alzheimer's Disease.

*In 2011, music legend Glen Campbell set out on an unprecedented tour across America. They thought it would last 5 weeks; instead, it went for 151 spectacular sold out shows over a triumphant year and a half across America.*

*What made this tour extraordinary was that Glen had recently been diagnosed with Alzheimer's disease. He was told to hang up his guitar and prepare for the inevitable. Instead, Glen and his wife went public with his diagnosis and announced that he and his family would set out on a "Goodbye Tour."*

*The film documents this amazing journey as he and his family attempt to navigate the wildly unpredictable nature of Glen's progressing disease using love, laughter and music as their medicine of choice.*

This evening activity will take place on Wednesday, September 2nd. Change into your casual clothes and relax with colleagues after a long day of workshops and plenaries!
