Gene,

Here is the MOU re: Phase III of the separation of DMV and DPS. I think that we have discussed in very general terms the items that are included. However, once you have a chance to review, please call me to discuss in detail.

Marcia,

I realize that this is your first look at the completed document. If you have any questions, just let me know.

Thanks to you both and I will wait to hear from you for discussion.

Steven

Steven,

I attach the third DPS-DMV MOU. Please look it over and then consult with Marcia and Gene.
