We LOVE our Lace House couples and appreciate their understanding of the difficult circumstances! Although we were disappointed, we could not gather on their original dates, we look forward to celebrating with them on their future special day. Until then, we wanted to highlight them. Give a like or drop a happy emoji for part one of our April 2020 clients who despite the trying circumstances have found ways to stay positive.

Meet: Maria + Andrew and Megan + William!

P.S. Stay tuned for part two of our April 2020 couples and highlights for our May couples as well. We have so many amazing clients; we could not fit them all in one post! @ South Carolina Lace House

Meet Maria & Andrew

- How did you and your partner meet?
We actually grew up five minutes from each other, but didn't really hang out until summer before college.
- When did you get engaged?
We got engaged August 1st (in Japan) August 2nd (in USA). We liked Mount Fuji and Andrew proposed on the summit at sunrise. It was so beautiful and freezing! LOL! Haha!

We love to travel! We spent six months traveling SE Asia and are very much looking forward to our next adventure. A lot closer to home, we love any activities involving good food and wine!
