This is better b/c initially I thought it was PT and it would have worked but Danny and I spoke yesterday and he clarified. The pay is ok as it is below the midpoint.

Danny, would the class code AA50, Administrative Specialist II work for the PT person at a later date?

That is correct. The minimum reqs for an AA75 would be different.

I can go in and edit accordingly.

The High School diploma or substitute experience is based on this class code (see attached CCF100422017). Looking at SCJobs it looks like there is a similar class code with similar pay but higher education requirements and I pulled to class code information from the DOA site, this looks more appropriate (See attached job description).

Catherine, I have attached the class code. I will send the review to you. \$30-35K is what Danny said for the salary.

Thanks!
