Good morning ladies. Hopefully this photo will get your Monday off to a positive start. Mission accomplished! Thanks to both of you for your assistance in getting me in contact with Geo. We delivered the "bucket list" go-cart to him yesterday and he couldn't have been more thrilled. The gentlemen in one photo is Geo's dad and the other boy in the photo is my son Cameron who's a freshman playing tennis at Coker College. It was originally his go-cart and he was thrilled to be able to pass it along to this special boy with such a brave heart facing his cancer.

Please feel free to pass along the photo to Governor Haley and thank her on my behalf for making us aware of Geo's story.

Regards,

Charlie
