I really need to get trough to someone. We are checking in today at Myrtle beach, but it looks like we are going to be there after 10 pm. We forgot to call today and the office is already close :(

Are you checking into cabins or a campsite? Do you have a reservation number?

The park manager says there is a person at the gate all night and they will direct you when you arrive. Hope that helps! Let me know if you have any issues.
