It was an honor to receive the Global Vision Award from the Columbia World Affairs Council. To receive such a warm introduction from Katrina Fjording of Volvo Cars and Joan Robinson-Berry of Boeing, people we are not only proud to call partners in business but are blessed to call friends, was truly a privilege. Team SC has made a name for our state as a global leader in exports, growth and economic development—we have so much to be proud of and we should all be excited to see where our hard work takes us next! #TeamSC #MadeInSC
