Hey

I have some feedback for you in the name tag. Can I call you tomorrow?

Also we'd love to circle up for a call after you meet with the Sea Pines folks. Would Thursday afternoon work for you?

Katherine and Amy,

Happy Friday!

Attached for your review and comment is a copy of the name tags we used at the SC Congressional Cup. They are about the same size and thickness as a credit card. A horizontal slot is punched in above where the logo is on this sample and we used a clip lanyard. This card is printed on both sides so if it flips

around it doesn't matter. Folks at this event really liked them as opposed to the traditional name tag.

Your call.

Also, I think I sent to you the estimated maximum count for the room which is 120 people. I am meeting with the folks at Sea Pines today and Monday to go over all of the BEO's. Shall we arrange a call with the three of us next week?

Angie
