

December 18, 2014

Dear Governor Hailey,

Congratulations on your resounding victory for your second term as our Governor. I look forward to seeing how our state grows over the next four years. I appreciate your invitations to the Governor's mansion and to the Inauguration but due to my many responsibilities, my wife and I will be unable to attend.

Happy New Year and we are wishing you many more successes in the future.

Sincerely,

Rodney Fitzgibbon MD
