Washington DC vs. America: The Federal Land Grab - Freedom Outpost

freedomoutpost.com

Washington DC vs. America: The Federal Land Grab

What a mess. For generations, Washington D.C. has attempted to grab our guns and state legislatures follow its lawless example. It occupies 640 million acres of America. But having our guns and our land taken by D.C. thugs isn't about the Second Amendment. It is about Washington D.C. and its allies in multinational and foreign corporations, waging war against us.

The war is Washington D.C. vs. America...

Every time Congress or a federal court takes up any issue of us vs. them, they rule for themselves. Our side is split up into countless small groups, each fighting for our single issue. How can we ever win this war and restore rule of law?

The Founding Fathers made provision for that. In Article I, Section 8, Clause 15 of the Constitution, We The People authorize Congress to "provide for calling forth the Militia to execute the laws of the Union, suppress Insurrections, and repel Invasions...". Then in Clause 16 we authorize Congress to, "provide for organizing, arming and disciplining the Militia...reserving to the States...the Appointment of the Officers, and the Authority of training the Militia". That's the Law in plain English. It's clear, simple, and non-negotiable.

See? The Second Amendment is the wrong battle because 80 million Americans already own over 250 million firearms. The problem is, few of them are military-grade arms suitable for Citizen Militia. Also, few citizens are trained to execute the laws or protect their community in a crisis or attack, because no American belongs to a constitutional Citizen Militia. Not a single state has a constitutional Militia law. Pulling together a bunch of gung-ho guys in 'unorganized Militia' doesn't pass constitutional muster.

The Second Amendment has nothing to do with it. We need to exercise our power and duty over the Constitution by "execut(ing) the Laws of the Union", not arguing with liberals and tyrants in the White House or in our statehouse about 'gun rights'. Sovereigns don't argue with their lawless servants about rights; we execute the laws!
