With connected devices set to outnumber humans by 6 to 1 by 2020<sup>1</sup> the types of communication tools that we now use in our everyday working lives are vastly different to the ones that we used just a few short years ago.

With new and different devices comes a different way of working. So what impact has this had on the way we communicate and access information? What tools and devices are we now using when at work?

Tell us how you work and help shape the workplace of the future. [Please take 5 minutes to complete our short 'How Do You Work?' survey](#)
