Description/Significant Features:

The historic core of the single-story frame Minimal Traditional residence stands four bays wide and rests on a brick foundation. A single-bay addition extends from the buildings western and northern elevations. The building's primary entrance is centered on the facade and framed by a replacement pedimented porch supported by wood columns. All of the buildings windows and doors are replacement. Two brick chimney stacks are seen rising from the building's roof and are likely original.

Alterations (include date(s), if known):

replacement exterior cladding
replacement windows and doors
replacement porch
multiple frame additions
