**Denice Parsons Capitani** I love the Ginko Leaves. Do you know the artist?

at 12:20:47 on 10/07/2020 UTC

**Barclay Clarke** Or you could simply go shop in the awesome state park gift shops all year round!!

**Marsha Prater Klein** Denice Parsons Capitani I would like to know this also!

**Brenda Phillips** Me too!

**Debbie Mazurek** This is difficult and time consuming to navigate. Would be nicer to just scroll thru pics and if you click on it, it would lead you to the artists site with prices. I lost interest after only a few minutes the way this is set up. Sorry, But I think y'all need the feedback.

**Zelda Nichols** Tasha Kelley I live nearby, they will not be having a real one.

at 5:42:40 on 10/14/2020 UTC

**Tasha Kelley** Zelda Nichols yes ma'am, I live close by also. Since the nature center finally opened to the public, I just figured they would still have the Atalaya Festival. 😊

at 14:11:41 on 10/14/2020 UTC

**Zelda Nichols** Tasha Kelley the nature center doesn't attract huge crowds like the festival does. The festival although mostly outdoors is still close quarters as it's inside the castle grounds.

**Thomasita Surface** I tried to navigate the online craft fair. Your presentation is cumbersome and confusing. There must be an easier way to view the artists' work. I had to click on each artist separately and then go to an etsy location. Not user friendly.
